Sept. 18, 1976

Harold-

My friend in Phila, Marion Lindblad, is checking with colleagues in the Balt-Wash, DC area for suitable therapists.

She was on vacation out of the country until a week ago.

I hope to get a therapist's name soon

This is taking time because I'd like to get someone good.

You know, better than I, how rare they are.

Hope things are better.

Warm regards,

Gary
